Congratulations September FOCUS Participants

GSC is so excited to welcome these SIX ADVANCED WRITERS for our **September 16-18, 2016 FOCUS Event**. These writers are consistently getting their songs taken by publishers at our monthly GSC POP Events, as well as building great industry relationships. A couple of our GSC members are attending this event for the second time. Once you are approved and accepted into the **FOCUS Program**, you can attend as many events as you would like. One member has attended four times and is building an incredible catalog. We have currently secured several publishing deals from these events including the **most recent signing of Mary Haller to Woody Bomar and Green Hills Music**. This does not include all of the ongoing open doors for song submissions, the ongoing co-writes and single song contracts. Please reach out on Facebook and congratulate these six writers!
